# **Can foreign students study at the Polish universities? Yes, they can!**

## **Students from the EU / EFTA**

You do not need a visa to come to Poland. However, after beginning your studies you will be required to legalize your stay in Poland by applying for a residence permit from the voivodeship where you are living. The residence permit is valid for one year and can be extended every year until the completion of your studies

## **Students from outside the EU / EFTA**

Once you are accepted as a student, you will have to apply for a Polish student visa in your country of origin. You can download an application form for the Polish visa.
